Profile

Creative and detail-oriented Web Designer skilled in HTML, CSS, JavaScript, jQuery, and WordPress customization with Elementor. Experienced in designing modern, responsive, pixel-perfect layouts and building WordPress eCommerce websites. Passionate about creating user-friendly designs and continuously improving my skills for real-world projects.

PERSONAL PROJECTS

DESIGN MEDICARE CLINIC WEBSITE [↗](#)

Built a responsive and modern **Clinic** web design using **HTML**, **CSS**, **JavaScript**, and **Tailwind CSS** — ensuring fast loading, clean UI, and mobile-friendly layout.

DESIGN RRF EXAM WEBSITE [↗](#)

Built a responsive and modern **RRF** Template using **HTML**, **CSS**, **JavaScript**, and **Tailwind CSS** — ensuring fast loading, clean UI, and mobile-friendly layout.

DESIGN TUTOR WEBSITE [↗](#)

Built a responsive and modern **Tutor** web using **HTML**, **CSS**, **JavaScript**, and **Tailwind CSS** — ensuring fast loading, clean UI, and mobile-friendly layout.

DESIGN A BLOG SITE [↗](#)

Built a responsive and modern **Blog** Site using **HTML**, **CSS**, **JavaScript**, and **Tailwind CSS** — ensuring fast loading, clean UI, and mobile-friendly layout.

Client WordPress Website Customization [↗](#)

Built and customized a client’s WordPress site with **Elementor**. Designed responsive layouts, adjusted styling to match brand identity, and optimized the site for better user experience.
